Re: Information Request Letter, Reference Number: (CAA-02-2013-1454)

Dear Ms. Hester,

We are in receipt of your March 5, 2013 letter, sent on behalf of Phillips 66 Bayway Refinery, requesting an extension of time to respond to the above-referenced Section 114 Information Request Letter (114 Letter). EPA has agreed to grant an extension of 60 days, as specified below.

Your response to the 114 letter is now due on or before May 8, 2013. As specified in your letter, EPA will expect a partial response on March 11, 2013. EPA does not expect to grant any additional time extensions. Accordingly, please submit to EPA by that date your complete written response, all supporting documentation and the Certification of Response. With the exception of the original response due date, Phillips 66 Bayway Refinery, remains subject to all of the requirements contained in the 114 letter, issued under the authority of Section 114 of the Clean Air Act, 42 U.S.C. § 7414.

If you have any questions regarding the 114 letter's anticipated response, please contact Steve Carrea of my staff, at (212) 637-3498.

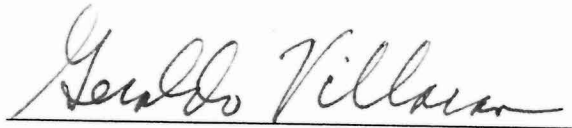

Sincerely,

Kenneth Eng, Chief
Air Compliance Branch
